PREAMBLE—

Government have instituted 10 Scholarships for Kannada and 10 Scholarships for English for the Students taking Kannada or English as a major subject for the B. A or B. A. (Hons.) Degree Course and prescribed the rules for their award in Government Order No. ED 112 CSS 67, dated 20th September 1967 as amended from time to time. But it is seen from the syllabus of the Karnatak University that though there are optional subjects under 'language' to be taken even in the First year of the Degree Course, in effect all students have to take same standard of language in the First year of the Degree Course and the real selection of major and minor subjects takes place only in the second year. The students of B. A. or B. A. (Hons.) Degree Course of the Bangalore University and the Mysore University have to choose their optional subjects only in the First year of the course. The Director of Collegiate Education has proposed certain amendments to the rules of the said scholarships to enable her to award the scholarships to students of the First year Degree Course of the Karnatak University also.
